Vehicle Description

We purchased this truck from an insurance company. Truck tipped over on the right sie. We replaced cab and painted the truck. Since then, we were suing this truck to pull our 6 axle 48' scrap trailer. We no longer haul our own scrap. Since we have been using it we have put a new radiator in it as well as a new turbo. Truck runs, drives, and operates. Rebuilt Salvage Title
Cummins N-14
410HP
