It's Florida, so get out in the sun and have some fun! Spring, Summer, Fall, and Winter… in Florida...everyday is a good day for an adventure. Enjoy a type of fun only realized spending time with the family outside and the roar of a powered fun machine.

This streamlined vehicle is powered by a low maintenance 500 watt electric motor. This is not a big box store power toy. The durable double A-arm front suspension, single rear suspension, drum/disc brake, and improved design will ensure a ride that is a cut above.

This quad is lightweight and low maintenance, making this mini quad perfect for casual yard, field, and trail riding. Emphasizing safety and consideration, this youth quad is equipped with the most helpful safety features available. Parents can rest easy knowing that this quad comes with a speed control switch and rider safety motor interrupt switch. The unit can be throttled back to as slow as 10 MPH or opened up to rip and roar. It has two hand brakes and electric start. This high quality ATV will provide an abundance of fun & memories!
