It's Florida, so get out in the sun and have some fun! Spring, Summer, Fall, and Winter… in Florida...everyday is a good day for an adventure. Enjoy a type of fun only realized spending time with the family outside and the roar of a gas powered fun machine.

This large bodied, streamlined youth dirt bike is powered by a dependable 4 stroke 125cc motor. (You don't have to mix the gas and oil.) It comes equipped with fully adjustable inverted forks and adjustable, nitrogen filled mono-shock rear suspension. Adjustable MX style bars and risers. The body work is made of heavy duty ABS plastic; resistant to bending or denting. The gas tank is of solid metal construction. Powder coated frame components. The styling and improved engine design will ensure a ride that is a cut above.

This 125cc Dirt Bike is lightweight and low maintenance, making it perfect for casual yard, field, and trail riding. This high quality Dirt Bike will provide an abundance of fun & memories!
