BMW's "M" brand of automobiles are one of the benchmarks for performance automobiles. The M-Coupe is certainly proof of this special "M" brand uniqueness.

being a totally involving and entertaining sports car. Equipped with a German masterpiece of an engine, and BMW's racing heritage, this 3.2 litre DOHC 24-valve six cylinder engine has six electronically controlled individual throttles. Good for 315 HP and zero to sixty times of 4.9 seconds, this engine is a tribute to BMW's remarkable engineering success as sports car builder. Combined with BMW's "M" suspension, brakes, limited slip differential, and five speed manual transmission, the result is an amazing sports car with a huge performance potential in a straight line or carving up a winding road. With all of this performance, the M coupe still returns a respectable 28 mpg on the highway.

This "M" Coupe is fully loaded with comfort and convenience items as well. Some of the equipment is as follows:

Harmon Kardon Sound System
(sounds great!)

Power Tilting Glass Moon Roof

Napa Leather Seating

Power Front Seats

Heated Seats (a great option on a cold day!)

Heated outside mirrors.

Power Door Locks, Air Conditioning, Power Windows and Cruise Control are also standard equipment.

Our featured M-Coupe is in excellent condition throughout. It is very apparent that this coupe was garaged all of its life. The titanium silver metallic paint still has that new car luster, without any significant dings or scratches. The beautiful (smoke free) napa leather interior is in great shape as well. This coupe has been serviced on a regular basis at Bimmer's Clinic local BMW service center. With a recent inspection and service, all of the mechanicals are in good working order. With 118,000 miles (approx 10,500 miles per year) this M-coupe has been enjoyed, but still runs great.

The configuration of the coupe with its rear hatch, and good size rear compartment make it very practical as well as being entertaining to drive. The perfect companion for two people and their luggage on a road trip. The limited production numbers of the M-Coupe will insure that this "M" branded vehicle will become very collectable as time goes on. Here is a great opportunity to own an exceptionally clean, one owner, clean Carfax, all original, California car. Add in a great color

combination, and you have a sports coupe that is practical, yet providing BMW's "M" performance that is nothing short of remarkable!
