Refreshed for 2011, The Audi Q7 remains one of the benchmark SUV's. Audi hit one out of the park with this full size SUV. New for 2011 is an 8 speed automatic which really takes advantage of the TDI diesels 406

pound foot torque. The interior has been revised as well, setting a new standard with Audi's already best in class interiors. The Q7 TDI returns a highway fuel economy of 25 mpg, giving a fuel range of close to 700 miles on a tank of gas! Performance is also excellent. 0-60 comes up in 8.6 seconds, with a top speed of 130 mph. Towing capacity of close to 6,000 pounds is also best in class. Audi's excellent Quattro all wheel drive keeps things in check with all road conditions. I can not think of a more comfortable vehicle to carry 8 people and their luggage in style.

Diesel technology has vastly improved over the years. Audi, BMW, and Mercedes sell more diesels in Europe than their comparable gasoline models. The Audi Q7 TDI offers the best of both worlds. The great looks of the Audi, (their interiors are stunning) plus excellent performance and fuel economy. This Audi Q7 TDI is loaded with factory options. Some of the more significant are as follows:

Prestige Package: (a \$12,000.00 option) Which Includes:

Audi MMI Navigation

Xenon Lights with LED daytime running lights

Bose surround sound with HD radio

20 inch double spoke alloy wheels (this Q7 has a 21 inch wheel option as well)

Audi adaptive lights

Audi keyless go

Panorama Sunroof

Ventilated front seats

Side window and Cargo sunshades

S-Line package (a \$2,000.00 option)

Which includes:

S line front and rear bumpers and side valances

S line fender badges and door sills

Headlight washers

Black headliner

Brushed aluminum decorative inlays

S line shift knob

S line steering wheel with shift paddles

Brand New Pirelli P-Zero Tires

275/45-21 Size

Our featured Q7 TDI is in excellent condition. The Ibis white exterior is stunning on this SUV (especially with the S line trim!) and is in as new condition. The black (non smoker) leather interior is in great shape as well. Brand new Pirelli P-Zero tires have been fitted. With only 19,000 miles (approx 9,500 miles per year), this Q7 runs like new.

There is a good reason why this full size SUV is a leader in its class. The Audi Q7 TDI is best in class in every respect. A California, one owner, low mileage car. Stunning in this color combination, with all of the best options.
