Vehicle Description

2009 Mercedes C63, Super Clean! One Owner California Car, Low Mileage

Mercedes Uber Sedan!

[Autofitness / Classbenz](#) Contact Jim @ 818-648-5223

The Mercedes C63 is a remarkable sports sedan. The hand built 6.3 liter V8 puts out 451HP good for 0-60 times in 4.2 seconds with a top speed of 155 mph. Exotic car territory! The car has a great dual purpose nature, it can driven like a garden variety C class sedan, (with a back seat and a large trunk), or put in sport mode and tear up your favorite stretch of asphalt.

Our featured C63 is a one owner California car, owned by an older car enthusiast who has taken excellent care of the car. The exterior is in excellent condition. The Palladium silver paint still showing that new car luster. The (smoke free) leather interior is perfect as well. Wit 25,000 miles (approx 5000 per year), the C63 has been serviced by a local Mercedes dealer and runs great, with all systems in good working order

I have had the pleasure of driving a number of BMW M3's and Audi S4's, and the C63 is by far my favorite, as their is nothing like the cubic inches of this robust V8! This cars performance is nothing short of amazing!

This C63 had a MSRP of close to \$75,000.00 Here is a great opportunity to own this benchmark sports sedan in the best color combination, at a great price!

We often close auctions early with a phone call. We can also assist with any of your shipping requirements.

Thanks for your interest. Please contact Jim @ 818-648-5223 with any additional questions.
