## Vehicle Description

We have for sale a sharp looking, blacked out'06 BMW 325xi all-wheel drive luxury sports car that is a blast to drive! This car has a lot to offer for the money and looks amazing. The color is called Sterling Graphite Metallic which looks fantastic. The pictures do it no justice! The car has tinted windows for a clean, private look and blacked out wheels that give the car a great stance.

- 3.0L Inline 6-Cylinder engine under the hood has plenty of power and the 5-Speed automatic transmission shifts flawlessly plus it has Sport and Manual Shift mode! This 325xi also has BMW's all-wheel drive system which is phenomenal. The car handles like it is on rails and is great in the snow or severe weather.
- Power Moonroof can be tilted open to let a bit of fresh air in or you can slide it wide open and let plenty of fresh air in! It also has a sun shade that blocks the harsh sunlight if needed.
- Heated Front Seats that are incredible! If you have never had a car with heated seats before you will fall in love the first time you use them. They heat up fast and make a cold morning commute to work so much better!
- Dual-Zone Automatic Climate Control gives the driver and passenger separate temperature controls so everyone is comfortable. Plus, with this system you can select a temperature and the vehicle will automatically regulate the fan speed so you don't have to constantly adjust the controls. It works like the thermostat in your house.
- 10-Speaker BMW Profession sound system with excellent sound quality! There are speakers throughout the cabin of the car to create surround sound audio that makes listening to your favorite music even better! It also has an Aux input for your phone or Mp3 player!

To make sure this BMW runs and drives as good as it looks, it has been fully inspected and certified to be sold. The inspection process is very thorough and all of the vehicle's systems, fluids, brakes, tires, suspension, engine and drive train are gone through so there are no surprises. If you have any questions or you are considering a trade, please call anytime at (715) 833-2020.
