We have a different philosophy than most dealerships. We believe in high volume selling. The way we achieve that is low margins that provide great value to the consumer, and we go find quality cars. Discount is never a bad word around here, we will work with you the best we can. But when we price cars, we price them extremely competitively as compared to similar units in the market. We keep our overhead low and we pass that savings on to our customers. If you can't get us on the phone the first time don't get frustrated. We have 4 of us selling over 100 cars a month. You can always text or call Patrick at 901-338-1464, Mark at 901-301-8236, or Jim at 901-553-7133. One of us will get back to you as soon as possible.
