Vehicle Description

Affordable transportation in a large sedan can be hard to come by. Now this one is not perfect, it had a "minor" damage report on 6-8-2006. A "minor" damage report is a event that is under \$500.00. So while it is not perfect, it is extremely good for it's age and the price. It runs great and has Ice Cold A/C. If you need reclaimable transportation, and you need a larger car, this just might be the car for you.

We have a different philosophy than most dealerships. We believe in high volume selling. The way we achieve that is low margins that provide great value to the consumer, and find quality cars. Discount is never a bad word around here, we will work with you the best we can. But when we price cars, we price them extremely competitively as compared to similar units in the market. We keep our overhead low and we pass that savings on to our customers. Feel free to call us at 214-501-6239. If you can't get us on the phone the first time don't get frustrated. We have 3 of us selling over 100 cars a month. You can always text Bill at 361-739-8225, or Jim at 901-553-7133. One of us will get back to you as soon as possible. We also offer many different financing options and the most competitive priced warranties you will find anywhere, with warranty options from 6 to 48 Months, most with unlimited mile options. We look forward to earning your business for life, we make car buying fun with a relaxed atmosphere. To view other cars like this, with the best picture quality go to www.schneckmotorcompany.com.
