The Bentley Continental GT is stunning in every respect. From the 552 H.P. W-12 engine to the elegant Connolly leather interior. 0-60 comes up in a scant 4.8 seconds, on up to a 195mph top end! The GT is a great driving partner on any road trip, with a useable back seat and a trunk if needed.

Our featured car's Beluga gray paint is excellent, as is the beautiful (non smoker) leather interior. With only 35,000 miles, and recently serviced, all operating systems are in good working order.

One drive in this Continental GT and you realize you are in a very special automobile. This Mulliner Edition car had an MSRP new of over \$180,000.00. Here is a great opportunity to own a well cared for example, (the car resides in Beverly Hills) with super low mileage, in a great color combination, for a fraction of that price..

We can also assist with any of your shipping requirements.

Thanks for your interest. Please call Jim at 818-648-5223 with any additional questions.
