Call, text, or message to setup an appointment to check out this 2012 Jeep Wrangler Unlimited Sahara in Gecko Pearl with just under 61,000 miles on it! I've only put 5,500 miles on it in the past 5 years! It's mainly been used as a shop run around and loaner vehicle. It's as CLEAN as they come and is a very fun jeep to drive! It rides and handles perfect with no issues. It's 285hp / 260 lb-ft torque 3.6L engine fires right up and runs smooth and the 5 speed automatic transmission shifts like it should. The 17 inch Rubicon wheels are wrapped in BFG Mud-Terrains with 60% tread remaining! The AC blows ice COLD and the heat is hot. It has power windows and door locks, heated seats, and automatic climate control. Since purchasing 5 years ago we've kept it serviced from top to bottom including checking all fluids, changing oil, checking alignment, new front and rear pads and rotors, etc. I've always ran AMSOIL synthetic fluids in it including the motor oil and transmission fluid. Everything works as it should. The check engine light is on for a simple EVAP code. This Jeep is very clean on the inside and out! There are no noticeable dings or dents. This would make a great Jeep for anyone – whether you're buying it for a first time driver or using it yourself. The Jeep was previously in a minor right front collision accident and Geico had the Jeep repaired. The owner didn't want the jeep back and rejected the repair - yes, you can do that! When Geico

totalled it because the owner rejected the repair, they accidentally checked the wrong box on the title application. The Jeep has been inspected and has a Rebuilt title, but cannot be registered in the states listed above due to their error and is priced accordingly. **If you're unsure about your state, please contact your DMV with the VIN to make sure it can be registered there. This would make an excellent vehicle to leave at your vacation house at the beach or lake, use on your property or at your farm, use as an everyday or occasional around town vehicle, or purpose build it for off-roading. Use your imagination. Without a doubt this is the cleanest and best priced 2012 Jeep Wrangler Unlimited Sahara on the market for the year and miles! You won't find a nicer, better priced one anywhere I promise! We've seen similar vehicles (2012 Jeep Wrangler Unlimited Sahara) in the marketplace retail for as high as \$29,219 similarly equipped with like mileage but you can own this one for THOUSANDS less! See our site for over 70 detailed pics! We've repaired and sold hundreds of vehicles — all customers happy with them!
