Vehicle Description

Bright red exterior with red/black vinyl interior. Excellent running 350 engine with 4 speed transmission. Mid to late 1980's build that still shows well and draws attention. Paint is still presentable with some expected bumps and bruises after almost 30 years of use. The car does not appear to have ever been rusty as most of the sheet metal including floors appear original. Old school Centerline wheels and traction bars. Runs and drives good. By no means perfect but a very fun period piece. True miles unknown.
