Great little car all serviced up and ready to go for you. This was my sons car that he drove every day to and from school. This car makes a great little driver!!

We have a different philosophy than most dealerships. We believe in high volume selling. The way we achieve that is low margins that provide great value to the consumer, and we find quality cars. We don't have a fancy building or free Lattes, but that is just a few more things we don't have to pay for. We feel like most people would much rather have a great deal anyway. Discount is never a bad word around here. But when we price cars, we price them extremely competitively as compared to similar units in the market. And we encourage you to shop our prices, you will find we are extremely price competitive. We keep our overhead low and we pass that savings on to our customers. Feel free to call us. If you can't get us on the phone the first time don't get frustrated. We have 3 of us selling around 100 cars a month. You can always text or call Al at 901-870-6999, or Jim at 901-553-7133. One of us will get back to you as soon as possible. We also offer many different financing options and the most competitive priced warranties you will find anywhere. With warranty options from 6 to 48 Months, most with unlimited mile options. We look forward to earning your business for life. Buying a car can be fun with a relaxed atmosphere, unfortunately at big dealerships you don't always get that experience. It is one of the main reasons the guys that work here all left big dealerships. We feel personal attention and fair pricing is the way we would like to be treated, so that is how we treat our customers.
