16k original miles. 1 owner. Black on black convertible. 2.2L 4 cyl engine with automatic transmission. Power convertible top works great and looks new. Runs and drives great. 16 dealership services showing on the Carfax report. Clean title but there is an accident showing on the carfax. We were unable to find anything on the car that has been repainted so we contacted the owner and this is her reply:

"Hello,

*A bicyclist ran into my car and scratched the right front and hood. Since she lost a tooth, the police took statements and it was deemed an accident. No mechanical damage just the slight scratch of the side and hood with minor paint chip.*

*Hope this helps!*

*Kathryn"*

I have photographed the scratches and chip on the hood but cant find a chip on the right front.
