Clean local car! Factory red paint appears to be mostly original with a few dings and blemishes. Black interior redone and upgraded with tweed inserts by Concord Auto Upholstery. Excellent stereo system with head unit mounted in the glove box. Original AM radio in dash still works. All gauges work plus added auxiliary gauges. All glass in good shape and works as it should. Recent new power top in hartz cloth works great.

Original slant 6 engine and transmission were replaced with an excellent running 360 roller motor and 727 automatic transmission with mild shift kit. Engine built by Main Machine and trans by Macy Transmissions with about 6k miles on the combo. Engine has J heads and high performance manifolds. Factory 4bbl intake with Holley carb. MSD ignition. Aluminum radiator. 2" Flowmaster exhaust. 15x7 chrome rally wheels from Wheel Vintiques. Converted to right hand thread for the lugnuts at all 4 wheels.

Excellent running, sounding and driving convertible. 69k miles is believed to be correct. Great classic a-body Mopar!
