<b>Exterior:</b>	Green
<b>Engine:</b>	289 V8
<b>Interior:</b>	Green
<b>Transmission:</b>	Automatic
<b>Mileage:</b>	0
<b>Drivetrain:</b>	Rear Wheel Drive

## Vehicle Description

Topless fun! Beautiful light green metallic exterior with tu-tone deluxe pony interior. Excellent running 289 engine with automatic transmission. Originally a C code 2 bbl car from the factory, the car now has a Holley 4 bbl carb with aluminum intake. Engine runs great and benefits from recent mechanical work. Vintageair air conditioning was recently added as well as power front disc brakes.

Pony interior looks great and has had the optional Rally-pac tachometer installed. All other gauges work properly. Custom Autosound AM/FM stereo with CD changer in the trunk. Custom footwell speaker enclosures. Power top is in good shape and works properly. All windows operate properly.

All optional GT exterior trim and options were added including: side stripes, emblems, fog lights, exhaust trumpets and correct valance. The Mustang also has chrome styled steel wheels with BF Goodrich radial TA tires. Decklid luggage rack.

This Mustang is a great looking and great driving car. It is an older build that still looks great with a few chips here and there. Starts up great everytime and gets a lot of attention. As with all classic cars I list, true miles unknown.
