Vehicle Description

1976 HARLEY DAVIDSON FLH SHOVELHEAD

This bike has all of the original major components (Motor, Transmission, Front End, Sheet metal, and Frame). The rest of the motorcycle appears to have been ridden and customized as the owner saw fit. It would be pretty easy to restore this back to the way it looked when it came off the showroom floor. We start this bike an average of 10 times a week and it starts every time. I have taken it up to 55 MPH on the small highway in front of our building. No apparent problems with this bike what-so ever. This bike is pretty nice as is.

Come see why Reeds Motorcycles is the original Adventure America destination right here in the mighty North Texas. Start your new adventure today and pick up the phone, let there be no delay! This bike is a Certified Pre-Owned Bike and eligible for financing.

We take most of all trade-ins from cars trucks, RVs, trailers, four wheelers, and ATVs if it's a vehicle and it's got power, we'll take it, but I guess that's not saying much because our old trade slogan is "if we don't have to feed or water it will take it in on trade". If you're on the road or at home, PICK UP THE PHONE, and talk to one of our Reeds Motorcycle family Member sales staffs to get you riding on a motorcycle today. Also don't forget about our Adventure America program that we started with a bang last year, which allows you the adventure of flying into the local airport DFW (20 min) away and riding out. So, when you call don't forget to ask how we participate in travel fare for Our Adventure America US program.

"Here at Reeds, we truly believe that it's not the motorcycle we're selling. It is a new lease on life and an American adventure that can be picked up and started by any individual that's looking to break out of the cracker box that society wants us to live in. We also believe it's never too late to harness and saddle your new Adventure."
