Mileage:	106,746
Drivetrain:	Rear Wheel Drive
Economy:	City 18 / Highway 24

Vehicle Description

We have for sale an absolute stunning 2002 Mercedes-Benz SLK 32 AMG Kompressor Hardtop Roadster that looks and drives fantastic! "AMG" is Mercedes' performance division so you know this convertible is a blast to drive and has a lot to offer. It has gorgeous silver exterior with the 17" split-spoke AMG rims that give this roadster an incredible stance! We know that if you like how it looks in the pictures you will fall in love once you get to drive it!

- 3.2L "Kompressor" V6 and of course Kompressor is German for SUPERCHARGED! This supercharged V6 puts out 349 horsepower which makes this SLK 32 a lot of fun to drive!
- Power Retractable Hardtop means that can be raised or lowered in about 30 seconds by the push of a button! The hardtop is especially nice because it provides additional sound deadening and does not rattle like some soft-top convertibles do when the top is up!
- Power Heated Sport Seats that are exceptionally comfortable and the heated seats are a 'must-have' for a convertible in this part of the country as it will extend the top-down season so you can enjoy the cooler Fall evenings or Spring days!
- Sport Package adds AMG body enhancements for a more aggressive style and the 17" AMG wheels that set this SLK apart from others on the road!
- This SLK 32 has all of the power options that you would want including power windows, locks and mirrors, plus cruise control and dual-zone automatic climate control with separate temperature controls for the driver and passenger!

To make sure that this SLK 32 AMG runs and drives as good as it looks, we had it fully inspected and certified to be sold. The inspection process is very thorough in which all of the vehicles systems, electronics, options, brakes, tires, suspension, engine and drivetrain are inspected so there are no surprises when you come to buy this car. If you have any questions about the car or would like to discuss a possible trade-in, please call us anytime at (715) 833-2020.
