## Vehicle Description

We have for sale this gorgeous 2012 Mercedes-Benz GLK 350 4Matic AWD luxury crossover SUV that looks and drives fantastic! This GLK has a great look with beautiful Cuprite Brown Metallic exterior that looks so nice. The pictures really do it no justice! This GLK 350 has an aggressive, sleek look with sharp body lines and it has 20" split-spoke wheels that give the SUV an incredible stance!

- 3.5L V6 Engine, 7-Speed Automatic and 4Matic All-Wheel Drive combine to make this Mercedes a treat to drive. The SUV handles very well with tons of power and the 4Matic AWD system gives you excellent traction in severe weather! This GLK also has the tow package as well.
- Premium Audio System which is an amazing factory sound system with speakers throughout the SUV to give you surround sound audio! It has AM/FM radio, Satellite Radio, CD, Memory Card, Music Register and an Aux input to connect your phone or mp3 player! It also has Bluetooth connection so you can make phone calls without distraction!
- Navigation System that is easy to use and gives you turn-by-turn directions which makes road trips or travelling in an unfamiliar city much less stressful!
- Heated Seats that are amazing. If you've never had a vehicle with heated seats before you will fall in love the first time you use them. They heat up fast and make a cold morning drive so much better.
- This GLK 350 has several great options such as the big Panoramic Moonroof that can tilt open or slide all the way open and let plenty of fresh air in, a power open/closing rear hatch, power adjustable front seats with driver's seat memory, auto-dimming rear view mirror and the rear seats are split folding so you can fold part or the entire rear seat flat and open up the back half of the SUV to haul larger items!

To make sure this Mercedes GLK 350 4Matic runs and drives perfectly, it has been fully inspected and certified to be sold. The inspection process is very thorough and all of the vehicle's systems, fluids, electrical, brakes, tires, suspension, engine and drivetrain are inspected so there are absolutely no surprises when you come to drive it! If you have any questions or you want to discuss a possible trade, please call anytime at (715) 833-2020.
