1 California owner. Current 86 year old owner bought it on 12/24/1986 for his wife as a Christmas present. It has been garaged all of its life in the same garage in Fresno, Ca. No accidents of any kind. Unfortunately, his wife passed away in 2000 and the car has had very limited use since. The owner has decided that it is time to pass it on to someone that will enjoy the car.

Excellent code 81 bright red paint that the owner believes to be all original and has no recollection of it ever getting paintwork done. Code 19C black custom cloth interior is as new. Factory stereo with working A/C, power windows, locks, etc. Factory T-tops with original storage bags.

LB9 5.0L 305 V8 engine with Tuned Port Injection runs great. Automatic overdrive transmission. The car runs and drives great. Still has the original pink title. Currently registered.

Please call for business hours and vehicle availability as not all vehicles are on site at the dealership.
