<b>Economy:</b>	City 20 / Highway 28

## Vehicle Description

We have for sale a sharp looking 2007 Pontiac G6 GT Coupe that looks and drives fantastic! This G6 has a sleek sporty style with chrome 17" wheels that give the car a great stance! It has clearly been very well cared for inside and out. The paint and body are in excellent shape and the interior is very nice. We know that if you like how it looks in the pictures you will fall in love with it when you get to drive it!

- The 3.5L V6 Engine and Automatic Transmission with Sport Shift Mode makes this a fun, sporty car to drive and it is great on gas too! So it is cheap to drive, even if you have a longer commute to work or school.
- Heated Seats that are exceptionally comfortable! The driver's seat is power adjustable and both front seats have 2 levels of heat option! If you have never had heated seats before you are in for a treat. They heat up fast and make a cold morning commute so much better.
- Factory Remote Start lets you start the car from inside your house or office so you'll never have to get into a cold car again!
- Power Moonroof that can tilt open or slide all the way open and let plenty of fresh air in! It also has a nice sunshade that can block the light from coming in if wanted.

To make sure that this G6 GT runs as good as it looks we have had it completely inspected. The inspection process is very thorough and all of the vehicle's systems, fluids, brakes, tires, suspension, engine and drivetrain are gone through so there are no surprises. If you have any questions or would like to discuss a trade-in, please call anytime at (715) 833-2020.
