Incredible pro-touring style GTO. Absolutely incredible tu-tone paint job. Black upper with Smokey charcoal lower divided by a red pinstripe with everything under the clear. Must see! Interior is done in a stock style using black Mercedes leather. Nardi steering wheel on a billet tilt steering column. Great sounding custom stereo with Ipod auxiliary input. Custom dash bezel with full range of gauges. Vintage Air A/C & heat. Flip the switch in the ashtray to open the cutouts on the exhaust. Dynamat sound deadening used throughout the car.

389 engine has been bored .030 over. Edelbrock aluminum heads. F.A.S.T. fuel injection. Custom air cleaner. Coated headers. Serpentine belt system. Power steering and 4 wheel disc brakes. Custom smoothed firewall. American racing polished 18" Torq-thrust rims. 4 speed manual transmission. Dual exhaust with electric cutouts.

This real GTO runs, sounds and looks incredible. This was a very expensive frame-off build. No expense spared. Only 3000 miles since finished. Ready to go!
