Vehicle Description

Please call Veronica Deason on this 2011 Ford F-250 Crew Cab King Ranch FX4 4x4 with 6.7L Power Stroke Diesel Engine with Automatic Transmission!

You can tell a lot about someone by their choice in vehicles. The owner of a King Ranch values both luxury as well as capabilities. With a 6.7L Power Stroke diesel engine there isn't much this Super Duty isn't capable of. The engine runs strong giving confidence that this truck was well cared for. The White Platinum Metallic clearcoat still holds its shine and looks great with the brown accents on the sides of the truck, bumpers and fender flares. These colors blend very well together and compliment the Adobe King Ranch interior. If you've never been inside a King Ranch it is probably one of the most unique interiors you can find with attention to details everywhere and an impressive build quality. Carfax is showing a minor damage report and Carfax defines minor damage as: "minor damage is usually cosmetic, including dents or scratches to the vehicle body." During our inspection we did find work done to the right side of the truck. The work was done well and the paint match looks great! You're welcome to check it out for yourself, but you may have trouble finding it.. I know we did! The FUEL wheels and NITTO tires add an aggressive look to this F-250, but they aren't just for show. These addons along with the FX4 suspension package and 4x4 capabilities make for a rich and fun off-roading experience! The options include: power windows, power folding mirrors, power locks, power rear sliding window, power heated and cooled rear seats, power sunroof, factory navigation, factory backup camera, power running boards, steering wheel controls, cruise control, remote entry, factory trailer brake, tail gate step assist, spray in bed liner, AM/FM/CD/AUX/USB Sync radio powered by Microsoft with handsfree capabilities and so much more! Come test drive our f250 then enjoy your days again with your new Super Duty!

Getting a copy of your vehicle's CARFAX History Report is easy! If it isn't then you aren't shopping at the right place! We post a free copy of the CARFAX Report for you to view on each vehicle we sell. Simply click on the highlighted VIN or the Carfax icon above and you can print it from there..or come see us, we'll print it for you!

Now, here at American Auto Brokers we have a history of working hard to compete with your bank's rates. Almost every time we go to swing the bat, we get it done. We want to secure the best loans for our customers. We do large volume with our NATIONWIDE lenders along with our local banks and credit unions. Let us do the hard work and you get all the benefits. Sit back, relax and for once enjoy the vehicle purchase process.

Please understand, we do our very best to describe in detail the condition of our vehicles, however, we are only human and these are used vehicles, therefore, American Auto Brokers, and their employees or agents will not be held accountable for errors or omissions in the description of the above vehicle or typographical errors in any of our vehicle listings. AMERICAN AUTO BROKERS MAKES EVERY EFFORT TO BE AS TRANSPARENT AS POSSIBLE WHEN OFFERING INFORMATION ABOUT THE INVENTORY ON OUR SITE. WE WILL DISCLOSE WHAT WE KNOW AND WHAT WE HAVE LEARNED REGARDING EACH VEHICLE, WHETHER IT IS PAINTWORK, PERFORMANCE ENHANCING EQUIPMENT OR ALTERED EXHAUST / EMISSIONS. WE DO NOT INSTALL ANY OF THIS TYPE OF EQUIPMENT, NOR DO WE TEST ITS PERFORMANCE. IT IS STRONGLY ENCOURAGED THAT YOU HAVE AN INDEPENDENT PRE-BUYER'S INSPECTION DONE. WE DO NOT REQUIRE YOU TO HAVE ONE DONE, HOWEVER WE WILL NOT BE HELD RESPONSIBLE FOR ANY FINDINGS AFTERWARDS SHOULD YOU CHOOSE TO DISCARD YOUR RIGHT TO HAVE ONE DONE. All vehicle options (power opts, cd players/changers, audio equipment, entertainment systems/dvd, navigation systems/nav dvd, etc), specs, features, color descriptions, history, paint history, maintenance records and manufacturer's warranty information should be researched and confirmed by the buyer or third party service before completing purchase. Helpful research information can be found at Edmunds.com, AutoCheck.com, Carchex.com, CarFax.com, etc. At our dealership we work very hard to accurately describe our vehicles through text descriptions and elaborate photos. We hand select each vehicle we put on eBay. The vehicle shown is ALWAYS the vehicle being sold. Please look over the photos carefully as they are part of the description. When you purchase any pre-owned vehicle it is not a new vehicle. Any pre-owned vehicle can/will have normal wear, which may include, but not limited to, rock chips, scratches, scuffs, and minor interior wear, our policy is to disclose anything beyond that and we encourage pre-purchase inspections. When fresh inventory arrives, we do our best to inspect all power options, DVD systems, audio equipment, NAV systems, etc., however AAB will not be held liable or responsible for any of these items. ALL LIFTED AND FLAT BED UTILITY BED TRUCKS MAY OR MAY NOT HAVE SPARES. We will search and disclose paintwork. However, please bear in mind that this is an imperfect science. Also, you must note that often truck owners may choose to alter factory emissions and or exhaust to enhance performance or fuel economy. We often do acquire trucks that have these performance enhancing equipment already installed. This equipment may alter original emissions equipment or void factory warranties. We do not test or alter this equipment. If this is a concern of yours, please exercise your right to have a pre-purchase inspection prior to leaving your deposit. Our sales staff is available to assist in answering any specific cosmetic questions and will gladly walk around a vehicle to give you a more accurate description BEFORE a deposit is left. Ultimately, it is up to the potential buyer to do their due diligence. American Auto Brokers does not want to hide anything and we encourage everyone to have a pre-buyer's inspection done before purchase. Please be aware that until a holding fee or down payment has been made after the completion of the inspection, the vehicle is still available for purchase to the public and will not be held. Note: Our listing software provider allows the VIN to decode the ORIGINAL FACTORY EQUIPMENT that this vehicle had when it rolled off the factory line. There may/may not be additional dealer equipment that was added by the original selling dealer that will not be listed in this section. There may/may not also have items listed as original factory equipment that are no longer with the vehicle we are currently selling. For example: 2 sets of keys, keyless entry remotes, owner's manual, factory floor mats, Navigation discs, first aid kits, factory tires/size/load rating, spare tires/factory tools and/or jacks, etc. Please refer to the photos we have taken or ask us your specific concern to be certain there is no confusion. We will not be responsible for any discrepancies between the Original Factory Equipment section and what is presented in the photos or description. Please do not assume and allow us to put our answers to your specific concerns in writing. Human error is possible and we reserve the right to reverse any sale based on pricing/listing error which can occur at any time without notice. All inventory is listed for sale locally, therefore all are subject to sale at any time and may not be available. Everyone is encouraged to call with questions or concerns. "Note to other Dealers and Brokers due to the pricing we reserve the right to only sell to the retail public. We will NOT sell to other dealers, we appreciate your desire to buy from us but please no not call to check if we will."
