Vehicle Description

2005 Ford Thunderbird, 50th Anniversary Edition

Contact Jim @ 818-648-5223

Produced from 2002 - 2005, the two seater Ford Thunderbird, was produced to re-create the sports luxury iconic 1955 -1957 two seat Thunderbird. The beautiful body style mirrors the stunning lines or the 1955-1957 model, with the performance and reliability of modern running gear.

Our featured 2005 Bird was the last (and best) year of production. It features a V8 engine good for close to 300 horsepower, fully independent suspension and four wheel disc brakes. This T-Bird features the factory removable hard top with heated glass rear window.

Our featured T-Bird is in good condition throughout. The medium steel blue exterior paint still showing a new car luster. The (smoke free) leather interior is in good shape as well, as is the convertible soft top. Recently serviced, with brand new Pirelli tires, and 71,000 miles (approx 5,000 per year) the Thunderbird runs great.

With an MSRP new of close to \$50,000.00 this piece of Ford history (in a great color combination) can be purchased for a fraction of that price!
