2013 Mercedes S550, Super Clean, Fully Loaded, Low Mileage, California Car

Contact Jim @818-648-5223

This S550 is stunning in this color combination and is a low mileage, California car

Our featured Mercedes S Class was introduced in 2007. The new model, raises the bar, and is again in Mercedes fashion, the benchmark by which all other luxury sedans are judged. This S550 is a remarkable automobile in every respect. The big V8 under the hood, with a seven speed

automatic transmission, really gets the job done, with 60mph coming up in only 5.4 seconds and on up to a governed top end of 155mph. This is accomplished in the luxury of plush accommodations that only Mercedes Benz does so extremely well! This luxury sedan really shines on winding roads as well, with it's autobahn bred suspension and brakes.

Our featured Mercedes comes loaded with standard equipment. In addition this S550 has the following:

- ** I Pod Integration Kit
- ** Multi Contour Seats
- ** Bluetooth Interface
- ** Harmon Kardon Sound System
- ** Premium Package: which includes Parktronic, Keyless Go and Rear View Camera
- ** Panoramic Sunroof

Our featured S550 is in great shape. The Magnetite black metallic paint still has that new car car luster. The tan leather (smoke free) interior is like new as well. With only 51,000 miles, and recently serviced, this Mercedes runs like a new car. The S550 has been serviced at Beverly Hills Mercedes Benz. This S550 had a MSRP new of over \$110,000.00 dollars. Here is a great opportunity to own the benchmark of luxury sedans in the best color combination. There is nothing quite like the Mercedes S550. This well cared for California car, in a great color combination, is stunning!
