Vehicle Description

2006 Lexus IS350, Super Clean! Great Sports Sedan!

Contact Jim: 818-648-5223

New for 2006, the Lexus IS especially in IS350 form, now is a serious contender in the sports sedan category. The 3.5 liter V6 engine provides 306hp, allowing 0-60 times of 5.1 seconds, with stellar handling to boot! (BMW 3 series territory and then some).

Our featured IS350 is in very good condition. The paint still showing a new car luster. The (smoke free) leather interior is in good shape as well. Recently serviced, all mechanical systems are in good working order.

This IS350 is fully loaded with all of the luxury features Lexus is known for. The optional Mark Levinson Sound System sounds great. The heated and ventilated seats are also a great option. The MSRP new on this Lexus was well over \$40,000 dollars. The IS 350 provides a great blend of the Lexus premium brand luxury along with true sports sedan performance!

We often close our auctions early with a phone call. We can also assist with any of your transportation requirements.
