Vehicle Description

Older yellow paint job still shows well with a few chips and bubbles. Gray interior looks great with Cruiser Corps seat covers in front. Bluetooth stereo system with overhead speaker and subwoofer under the front seat. Working rear heater. Recent lower seals on the removable top.

Engine is a 3B 3.4L 4 cyl diesel with a Garrett turbocharger. 5 speed manual transmission. Power steering with relocated Saginaw steering box. 4" lift. Reverse springs. Old Man Emu suspension. Front pumpkin recently rebuilt. Front steering knuckle seals replaced. Disc brakes with a new Toyota master cylinder. American Racing 16" wheels. Locking Rotopax diesel and water containers.

The FJ40 is registered as a diesel so needs no smog tests. Runs great. Current owner has had it 2 years and is only selling because he has 2 FJs and is moving to a place with only one garage space. Overall height is approx. 81".
