This 2013 Harley-Davidson DYNA FAT BOB FXDF FAT BOB FXDF . The vehicle is BLACK DENIM with a BLACK DENIM interior. It is offered As-Is, extended warranty is available. - 2013 HARLEY-DAVIDSON DYNA FAT BOB FXDF - This Harley-Davidson is in Excellent overall exterior condition - providing more performance power for passing, hill-climbing, and riding with passenger and cargo. For the custom style you want, you get a clean, minimal look with nothing standing in your way of the open road. Add to that the wide stance and 16 inch front wheel, and you have a cool fat custom look with a powerful big twin engine. And if you like a little Harley chrome on an otherwise stripped down bike, take a look at the Fat Bobr model's rear chrome shocks. These high performance coil-over rear chrome shocks give a smooth ride and custom look. For a little more chrome, the Dynar Fat Bobr model also features a distinctive cast chrome double headlamp bucket. Learn more about this bike with a big motorcycle feel and the other Harley Dynar motorcycles. Also check out the Street Bob, the Super Glide Custom, you get a clean, minimal look with nothing standing in your way of the open road. Twin Cam 103T Engine Heritage The knowledge of what makes an engine truly move a rider runs deep at The Motor Company, and it was put to good use when we created the Twin Cam 103T; engine. We sweated bullets perfecting every cubic inch, pushing design and technology forward. And we did it all without compromising one bit of Harley-Davidson's unique styling. Evolved, yet carrying on the legacy of the Flathead, Knucklehead, Panhead, Shovelhead, Evolutionr, Twin Cam 88r; and Twin Cam 96T engines that came before. The performance and durability are a direct result of the untold miles logged on the V-Twin since 1909, and the proud heritage that comes from a century's worth of commitment to life on two wheels. Artfully Hidden Technology Harley-Davidsonr leverages the latest in technology without compromising style and function. That means we hide electronics. The whole wiring harness is skillfully routed behind the jewels of the bike-the tank, engine and all the other eye-popping features you want to see. It's just another way The Motor Company goes the extra mile to give its bikes that premium, top-of-the-line fit and finish. Adjustable Suspension Preload is easily adjusted with a spanner wrench to make your suspension suit you and your riding style. The slammed low rear suspension gives you a more laid-back riding position and style. Low-profile, kicked back for profiling down the boulevard and hugging corners. Forward-Mounted Controls With the custom forward-mounted controls on the Fat Bobr model, you can kick back a little and stretch your legs for the ultimate cruise through town or across the state line. It's time to take in the open road the way you were meant to-on a two-wheeled machine that's built to outdo the rest. - Contact Motorcycle Sales at 888-933-7674 or bob@usedmotorcyclestore.com for more information. -
