Economy:	City 11 / Highway 17

Vehicle Description

This Mercedes-Benz S-Class S63 AMG is the epitome of a full-size first class luxury sedan. With a strong, sporty, sleek look, this serious sedan has top notch performance as well. Under the hood, this sedan is sporting a 6.3 liter V-8 engine, pushing out 518 horsepower (count em'!), and utilizing a 7-speed automatic transmission with overdrive and Touch Shift. *Extended warranty available for this vehicle as well.*

The ride and drive of this larger sedan is surprisingly smooth and comfortable, fitted with features like adaptive air suspension and load-leveling that allows you to raise or lower the ride height while traveling fast.

The luxury of this vehicle cannot be stated enough, with classic features like walnut wood trim, leather-covered instrument panel, and the Comand controller. The Comand controller is the silver dial near the armrest that allows for navigation of the large screen in the center of the dash. This controls the radio, navigation, phone options, video, and vehicle options.

Comfort-wise, this vehicle has tons of options, including heated-ventilated front seats, air-inflated chambers in the front seats that allow for bolstering, massage mode for the front seats, cushion position, with easy-chair type front seats. As to the back seats, these are nearly as comfortable, with an amazing amount of leg-room for a sedan, and a backrest that is angled backwards for optimal comfort.

Electronic & Entertainment Features: Comand system - controls audio/phone/radio/system info/navigation, Driver's Information Center, Navigation System, audio/phone controls on the steering wheel, SiriusXM radio with 3-month free trial, Harman Surround Sound audio system, and a 6-disc cd changer.

Comfort & Convenience Features: Dual-zone climate control, Power windows/locks/mirrors/seats, Memory system - Mirrors/Driver's Seat/Steering Wheel, cruise control on the steering wheel, rear power sun shade - back window, leather-wrapped steering wheel, heated front seats, Airmatic Suspension, and dual heated power folding mirrors with turn signals.

Safety Features: Brake assist, electronic stability control, daytime running lights, cornering lights, alarm system, engine immobilizer, tire pressure monitor, variable assist power steering, and 4-wheel power disc brakes with ABS.

Credit woes? We never say no! We offer many different payment options (no hassle pricing W.A.C.), and we work with any credit score or any type of financial history, including bankruptcy.

Come check out our established location in Jonesboro at 2829 Red Wolf Boulevard and look at our constantly changing inventory! Also, don't forget to ask about our financing options! We service and sell to the tri-state area of Northeast Arkansas, Southeast Missouri, and Southwest Tennessee.
