Vehicle Description

This redesigned 2014 Cadillac CTS 2.0T comes standard with a turbocharged I-4 272 horsepower engine that rates 295 pound-feet of torque, using a six-speed automatic transmission that allows for a manual mode.

This is also a CarFax certified 1-Owner vehicle. Extended Warranty also available.

This luxury 4 door all-wheel-drive sedan comes complete with several exciting features, which include: touchscreen digital interface that is Pandora and Sirius XM capable, Bluetooth connectivity, USB and auxiliary input, Bose 8 Speaker Surround Sound system, audio-phone controls via the steering wheel, external entertainment device connections, dual-zone temperature controls that have manual settings or can be controlled via the touchscreen, moon/sunroof with partial or full sliding screen modes.

Some additional features to this modern beauty are temperature controlled seats with heat and cooling, keyless entry, proximity locking and unlocking with key fob, keyless engine start/stop, heated driver and passenger power mirrors, sliding automatic cupholder cover, manual shifting mode with shift toggles on the steering wheel, and an on-board navigation system that works with required internet connection!

Safety features include: Electronic Parking Break button, Tour/Sport/Ice-Snow traction modes, daytime running lights, total of 6 airbags including side and side-curtain airbags, halogen headlights, limited slip differential, digital low tire pressure indicator, parking distance sensors with rear radar, and an alternate suspension.
