Enjoy mile after mile with a large capacity 5 gallon Softail fuel tank. The H-Dr Softail model's tank is also dripping with authentic Harley-Davidson style. The Harley FLSTC model has full length rider footboards with rubber vibration isolation for added comfort. Another of the many great features of this classic motorcycle is the detachable motorcycle windshield. You can remove the Harley Heritage Softail windshield for a new look. Features may include: Hidden Rear Shocks If you want a comfortable bike but love that rigid-suspension look, you've come to the right bike. We've kept all the modern comforts where they belong - below the surface of a rad, vintage-looking bike. You get the classic lines of a vintage hardtail frame with the horizontal rear shocks hidden in the guts. It's a signature rigid look, and you'll only find it on a Softail model. Nostalgic Custom Style Do laced wheels, you'd roll into Daytona Bike Week expecting new stories and new styles. There was really something going on, and it's still alive and well in this bike. Take the saddlebags, studded with style straight from that golden era, with hidden quick-detach buckles. Or the fenders - full and fluid, with chrome highlights and matching paint. Or that big, commanding 7-inch ball headlamp, so you'll still turn heads with clean, streamlined design. More importantly, though, you get certainty in the saddle knowing your bike's going to behave when you need it. Tall Handlebar Classic style and maximum comfort. That's the perfect balance of the tall handlebars that come standard on the Heritage Softail Classic model. They're designed to keep you comfortably propped in a commanding position while making sure your neck muscles stay calm and relaxed mile after mile, lustrous finish you demand. - Contact Motorcycle Sales at 888-933-7674 or bob@usedmotorcyclestore.com for more information. -
