This 2015 Harley-Davidson ELECTRA GLIDE ULTRA CLASSIC LOW FLHTCUL ULTRA CLASSIC LOW . The vehicle is BLACK with a BLACK interior. It is offered As-Is, extended warranty is available. - 2015 HARLEY-DAVIDSON ELECTRA GLIDE ULTRA CLASSIC LOW FLHTCUL - This Harley-Davidson is in Excellent overall exterior condition - ABS, 2015 Harley-Davidsonr Electra Glider Ultra Classic LowWhen you set out to improve the most respected touring machine on earth, brighter Tour-Pakr luggage carrier lighting, brighter turn signals, brighter brake lights, and a steering head with stiffer front forks. Locked-up tires are now history even when there's wet pavement. We've made it feel even better to lean your way through a turn. Now you can see better. And we've made you more conspicuous to the cage-driving public. Because one thing we all agree on is this: bikes that work better make riders who ride better. Take a ride. See how good you can be. Air-Adjustable SuspensionWith air-adjustable suspension that comes standard, you can dial in your ride to accommodate heavier or lighter payloads, battle unexpected road conditions or simply set it to how you like to roll. The lighter the load, the softer you can go by decreasing the air pressure a bit, or increase the air pressure for a more firm ride. A convenient air valve is located between the saddlebag and rear fender for quick adjusting. It's all about rider and passenger comfort and setting your bike to fit your taste-the easy way. Boom!T Box 4.3 RadioLet's start with this: 25% more volume for your tunes. The Boom!T Box 4.3 Radio puts out 25 watts per channel at 1% distortion and features a factory-tuned, whether you're running at a stately pace down the strip or going hell for leather down an open stretch of road. And if you want even more you can go with the optional Boom!T Box 6.5GT that puts out 25 watts per channel and has integrated satellite radio. How do you like the sound of a Harleyr motorcycle now?Ready For Your UpgradesThe Boom!T Box 6.5GT was built with your personal touches in mind. You can integrate P & A satellite radio right into the vehicle radio with no external mounting and control it through the hand controls. Additional satellite services such as weather and traffic can be added and overlaid on the GPS maps. You can even download map upgrades and additional functions. The only question is, how far do you want to go? - Contact Motorcycle Sales at 888-933-7674 or bob@usedmotorcyclestore.com for more information. -
