Features may include: **BLACKED-OUT LOOK** The Iron 883T model is the anti-chrome motorcycle-decked in black from front to back with a defiant attitude that embraces the pure essence of riding. Black powder-coated 883cc engine with black rocker covers. Black chopped fenders that show off a lot of rubber. Black front forks with gators add an old-school look. Black oil tank cover, slammed black drag-style handlebar and black finish hand controls add to the stripped down, minimal look of the Iron 883T motorcycle. Born at the drag strip, the drag-style handlebar is an old school garage feature that puts you in a forward, aggressive riding position. **STOP-TURN-TAIL LIGHTS** Old school looks meet new-school engineering. Black, retro-style bullet taillights combine functionality to work twice as hard-stop beams and running lights plus turn indicators in two low-profile rear lamps. This eliminates the need for extra lights, creating a clean, minimal look. **SIDE-MOUNTED LICENSE PLATE** True to the clean, fast lines of the bike, the side-mounted license plate leaves the rear fender surface smooth and uncluttered. Minimal and unique-every inch of the Iron 883T motorcycle is styled to perfection to achieve a raw, custom look. **CLASSIC PEANUT FUEL TANK** As one of the defining features of Harley-Davidsonr Sportsterr models for decades, the classic 3.3 gallon tapered peanut fuel tank still holds strong today with its traditional styling and modern attitude. Following the line of the bike from front to back, the peanut tank angles down just right into the solo Sportsterr seat. Attitude and looks all balled up into one. - Contact Motorcycle Sales at 888-933-7674 or bob@usedmotorcyclestore.com for more information. -
