This 2014 Harley-Davidson STREET GLIDE FLHX STREET GLIDE FLHX features a 103ci V-TWIN 1687cc cyl engine. The vehicle is BLACK with a BLACK interior. It is offered As-Is, extended warranty is available. - 2014 HARLEY-DAVIDSON STREET GLIDE FLHX - This Harley-Davidson is in Excellent overall exterior condition - ABS, 2014 Harley-Davidsonr Street GliderPure street style and long haul comfort made it the #1 motorcycle in the sport. And that was before it got a more powerful engine and countless other improvements. The 2014 Harley-Davidsonr Street Glider model FLHX is a custom hot-rod bagger with an amazing Harleyr style that needs to be seen and ridden. As part of Project RushMore, it's been totally redesigned for 2014 from headlight to taillight to make the look sleek and the touring ride better. The batwing fairing has been totally redesigned to maintain its iconic shape, electronically linked brakes for optimum braking in all conditions. The 2014 Street Glider has redesigned saddlebags for a sleeker look and reinvented latches that you can operate with one hand. The new Boom Box 4.3 infotainment system takes your music and technology to a place that has to be seen and heard to be believed. The Harley Street Glider FLHX model has a 2-1-2 exhaust. Features May Include: Project RUSHMORE - Engine As every rider knows, the engine is at the heart of the experience of riding a motorcycle. The amount of torque and horsepower it delivers over the RPM range is in direct proportion to the feeling it gives you when you roll on the throttle. We know what riders want from a motorcycle engine because we've been building them for 110 years. Project RUSHMORE gave us the opportunity to dial it in just right. We conducted thousands of road tests with real riders giving us feedback to build the next iteration of the legendary Harley-Davidsonr engine. New Boom! T Box 4.3 Radio Let's start with the big news: 25% more volume for your tunes. The new Boom! T Box 4.3 Radio puts out 25 watts per channel at 1% distortion and features a factory-tuned, brighter Tour-Pakr lighting, brighter turn signals, brighter brake lights, as we've always done. As riders. Riding with other riders. Thousand of hours, countless road tests, millions of miles. Looking for the technology and innovations that truly make the ride better. We went over the bike fender tip to fender tip. Project RUSHMORE - Comfort We dialed in the comfort of our machines the hard way: over thousands of miles in all kinds of riding conditions on every kind of street, road and highway ever laid down in pavement. Experienced riders putting in long hours in the saddle and giving us feedback on every aspect that contributes to comfort on the road. - Contact Motorcycle Sales at 888-933-7674 or bob@usedmotorcyclestore.com for more information. -
