This 1966 left hand drive Lotus Cortina MK-I is a rare, low mileage survivor. It shows only 56,307 miles. The condition of this car is excellent as evident in the many detailed photos of the exterior, interior, and its under carriage. The car is very original but looks to have had a repaint in years past by a previous owner which shows well. It has been very well maintained, runs and drives great. The current owner has owned the car since 1995. Since his ownership, he has rebuilt the front end, rebuilt the brake system, and he had an engine rebuild completed by Ted Wenz with Savannah Race Engineering. The engine has less than 1,000 miles since the engine rebuild. It has been stored indoors as part of an extensive English Ford collection since 1995, with a clean Florida title showing the car as a 1967, which was probably the year it was originally sold and registered. Call Nolan: 904-382-7230. Trades accepted. All applicable sales tax, title, registration and a \$249 document fees apply. ALL INVENTORY IS STORED INDOORS, AND SHOWN BY APPOINTMENT ONLY.
