Please Read The Following Facts About Compress Natural Gas (CNG)

< WHAT ARE THE ADVANTAGES OF CNG? >

Compressed natural gas (CNG) is the cleanest burning transportation fuel on the market today. CNG burns cleaner than petroleum based products because of its lower carbon content. CNG produces the fewest emissions of all other fuels and contains significantly less pollutants than gasoline. Natural gas produces an equal amount of energy as a gallon of gasoline. Therefore it gets the exact same gas mileage however, natural gas costs significantly less than gasoline and diesel fuel. Even though power, acceleration, and cruising speed of compressed natural gas buses are similar to their gasoline and diesel counterparts, CNG bus mileage per tank is generally less because natural gas is less dense than gasoline or diesel. To provide adequate driving range, CNG is stored onboard a vehicle in cylinders at a pressure of 3,000 to 3,600 pounds per square inch. Extra natural gas storage tanks can help increase range for longer trips.

< HOW DOES A CNG ENGINE WORK? >

The engine functions the same way as a gasoline engine: The fuel-air mixture is compressed and ignited by a spark plug. The natural gas is stored in a fuel tank, or cylinder, typically at the back of the vehicle. A CNG fuel system transfers high-pressure natural gas from the fuel tank to the engine.

< IS CNG SAFE FUEL TO USE? >

CNG basically means 'Compressed Natural Gas'. It is methane gas stored at high pressure. CNG is being used as an eco-friendly fuel in vehicles. CNG is stored under high pressure; however, the range of flammability and combustion is much more narrow with CNG than gasoline therefore, it is safer than gasoline.

Installed Options

Interior

- Medium Flint-color instrument panel -inc: double 12-volt pwr point, tachometer
- Medium flint-color door trim panels w/single stowage area- Rearview mirror delete
- Slimline color-keyed engine cover console -inc: dual stowage bin, (3) cup holders
- Tilt steering wheel- Medium Flint, Vinyl seat trim (REQ: 211 or 21B Seats)
- Light & convenience group- Key in ignition warning chime
- Glove box w/auxiliary pwr point- Front vinyl-faced molded headliner
- Front door courtesy light switches- Front dome light- Front air conditioning
- Dual high back bucket seats -inc: inboard armrests (REQ: A_ Vinyl or C_ Cloth Trim)
- Dual color-keyed vinyl sunvisors- Driver & passenger black cowl trim panels
- Dash sound absorber- Color-keyed cowl grab handles- Black vinyl floor covering
- Black plastic step well pads

Exterior

- Solar tinted glass- Sealed beam headlights
- Painted black front bumper w/lower black plastic valence- No spare tire & wheel
- LT225/75R16E all-season BSW tires- Interval windshield wipers- Dual rear wheels
- 16" x 6" white painted steel wheels

Safety

- Medium Flint-color instrument panel -inc: double 12-volt pwr point, tachometer
- Medium flint-color door trim panels w/single stowage area- Rearview mirror delete
- Slimline color-keyed engine cover console -inc: dual stowage bin, (3) cup holders
- Tilt steering wheel- Medium Flint, Vinyl seat trim (REQ: 211 or 21B Seats)
- Light & convenience group- Key in ignition warning chime
- Glove box w/auxiliary pwr point- Front vinyl-faced molded headliner
- Front door courtesy light switches- Front dome light- Front air conditioning
- Dual high back bucket seats -inc: inboard armrests (REQ: A_ Vinyl or C_ Cloth Trim)

- Dual color-keyed vinyl sunvisors- Driver & passenger black cowl trim panels
- Dash sound absorber- Color-keyed cowl grab handles- Black vinyl floor covering
- Black plastic step well pads

Mechanical

- 120 amp alternator- 4.56 axle ratio
- 5-speed automatic transmission w/OD -inc: aux oil cooler, tow-haul
- 5.4L EFI Triton V8 FFV engine *Gasoline only with 47A Ambulance Prep Pkg. FFV Capable with all other applications*
- 72 amp/hr (650 CCA) maintenance-free HD battery- Auxiliary fuel port
- HD front/rear shocks- Modified vehicle wiring kit & system
- Payload pkg -inc: 14050# GVWR- Pwr 4-wheel disc brakes
- Pwr steering w/HD steering gear- Rear wheel drive- Steel valve stems
