Exterior Photos Coming Soon!

Fully loaded 2014 Dutchman Voltage 3800 with EPIC package. One owner, stored under roof and on AC for its lifetime. This rig has all of the toys and options for camping at your favorite campsite, or loading up the ATVs and heading off grid for the week. Three ACs, 5.5kW Onan generator, two built-in 30gal fuel tanks for toys and the generator, huge heated holding tanks, and pass-through storage. Toy hauler garage is 14' and holds two golf carts, full size side-by-side, ATV, motorcycles, or any other favorite toys. Twin queen sized Happi-jac beds and a private half-bath let guests or kids have their own play space once the toys have been unloaded, with its own AC plus separate Maxxair vent with rain-sensor. Lower bed also converts to seating for six with table. Back loading ramp has a patio feature and awning for watching your favorite race in style. Add a washer/dryer unit to the built in hooks up in the garage and skip the campground laundry room! Main living area has dining area, reclining residential theater seating, large TV, Blu-ray player, surround sound, fireplace, large 12cu fridge, FULL-sized convection microwave, huge pantry, and central-vac for quick clean-ups. A top double bunk is great for storage or even more lucky guests.

Large main bath with tons of storage has a generous shower and private access to the master bedroom. Master bedroom has even more storage for two, including under-bed storage, queen bed with brand new mattress, TV, and own AC. All sleeping areas have black-out roller day/night blinds. Outside you'll find no camp-side slide to maximize your outdoor space, full-sized flat screen TV with exterior speakers, two large awnings, quad folding stairs for both exterior doors, lights on all sides for easy camp setup, wireless rear camera, six point hydraulic auto-levelling jacks, six newer radial Bridgestone tires, three axle Trailair equa-flex suspension, Trailair Tri-Glide air cushion pin box, and slide topper.

Amazing floorplan with 9' volume ceilings, this unit was built for travel or long extended stays. Master bed, main bath, and kitchen/fridge are all accessible ON THE ROAD. No need to put your slides out when you need to pull over on those long trips, just grab some more drinks from the fridge, or let the kids have the inevitable bathroom breaks. A true four-seasons rig with upgraded insulation throughout, this unit is ready for your next great outdoor adventure.

*EPIC series package – quartz countertops, hardwood cabinets, residential furniture, frameless windows, slam latch baggage doors, 2nd 30gal fuel tank, quad entry steps, hydraulic front landing gear, galley power fan with rain sensor * Residential kitchen sink and faucet
