We have for sale a gorgeous 2016 BMW X3 xDrive M-Sport Luxury Crossover SUV that has so much to offer and is a blast to drive! This X3 has the beautiful Black Sapphire exterior with tinted windows to give the SUV a clean, private look and the 19-inch M-Sport Wheels that give this X3 an incredible stance! We know that if you like how it looks in the pictures you will fall in love when you come drive it!

Factory BMW Warranty Remaining until July 2019 or until 50,000 Miles whichever comes first! This means you are completely protected the moment you drive off the lot. It also qualifies for additional warranty coverage beyond the factory warranty if so desired!

xDrive All-Wheel Drive system gives this X3 a very stable ride even in poor weather and it handles winter roads so well. It makes this the perfect luxury SUV to drive in this part of the country! The 2.0L TwinPower Turbo 4-Cylinder Engine and 8-Speed Sport Automatic makes this a very capable SUV and a fun BMW to drive.

M-Sport Package which includes the Aerodynamic Kit with redesigned front and rear bumpers to give the X3 a more aggressive look that really sets it apart from other X3s on the road! It also has stunning 19-inch M-Sport wheels with machined spokes and black spokes, Power Sport Seats with oversized bolsters that wrap around you to hug you in place and 3-Spoke M-Sport steering wheel with paddle shifters.

Dynamic Damper Control gives the driver the ability to adjust the suspension settings from a soft, comfort-oriented mode to a much firmer and performance oriented setting to maximize handling and cornering ability! It also has Variable Sport Steering which gives the driver more feedback and more precise steering feel!

Navigation System with turn-by-turn directions and a Rear-View Camera with Park Distance Control (PDC) that activates automatically when you shift to reverse. It gives you a clear view of what is behind you and the Front/Rear Parking Sensors (PDC) show just how close to an object your bumpers are which makes parallel parking on a busy street so much easier!

Bluetooth Streaming Audio, a Built-In Music Hard Drive and Aux/USB Inputs means there is no shortage of ways to connect your phone or Mp3 player and bring all of your favorite music on the road with you! The HiFi Sound System has speakers throughout the car and the sound quality is crisp and clear. It also has AM/FM/CD Audio and Bluetooth Connection to send and receive phone calls while driving without distraction!

Panoramic Glass Roof makes the interior feel so open and large. The roof can tilt open or you can slide it open to let plenty of fresh air in and there is a power sunshade, so you can close it off when needed.

Large Rear Cargo Area with Split-Folding Rear

...
Seats which is very convenient for hauling larger items! The rear seat is split 60/40 so you can fold part of the seat flat or the entire rear seat flat which opens up the entire back to haul large items and it protects the back seat from damage!

To make sure this BMW X3 runs and drives perfectly, it has been fully inspected and certified to be sold. The inspection process is very thorough and all of the SUV's systems, fluids, electrical, brakes, tires, suspension, engine and drivetrain are inspected so there are absolutely no surprises when you come to drive this X3! If you have any questions or you want to discuss a possible trade, please call anytime at (715) 833-2020.
