We have for sale this gorgeous 2015 Ford Focus ST Turbo Hatchback that is an absolute blast to drive and looks amazing! It has a sleek sporty exterior with Magnetic Gray exterior with tinted windows for a clean, private look and the 18-Inch Y-Spoke wheels give this *ST* the perfect stance! We know that if you like how it looks in the pictures you will love it when you come drive it!

Factory Powertrain Warranty Coverage until June of 2020 or 60,000 miles, whichever comes first. That means you are covered the moment you drive off the lot! This Focus ST also qualifies for additional warranty options if desired.

252 Horsepower Turbo 2.0L 4-Cylinder Engine and 6-Speed Manual Transmission makes this Focus a treat to drive and it still gets 32MPG on the highway... it doesn't just look good, it drives

the highway so it doesn't cost an arm and a leg to drive if you commute to work or school.

Backup Camera that automatically activates when you shift to reverse and makes parallel parking on a busy street or backing into a tight space so much easier!

Bluetooth Streaming Audio, Aux and USB Inputs so you can connect or sync your phone with the audio system and bring all of your favorite music with you on the road! It has AM/FM/CD audio and has speakers throughout the interior to create wonderful surround sound audio.

Bluetooth Phone Connection which allows you to sync your phone to send and receive phone calls without distraction.

Power Moonroof that can tilt open to let just a bit of fresh air in or slide wide open to let plenty of fresh air in! It also has a sun shade to block off the daylight when wanted.

Rear Cargo Area with 60/40 Split-Folding Rear Seats is one of the major benefits of this sporty turbo hatchback! Behind the rear seats is a large cargo area to haul your gear and the rear seats can be folded down (in sections) which opens up the entire back half of the Focus to haul over-sized items!

To make sure this Focus ST runs and drives perfectly, we have had it fully inspected and certified to be sold. The inspection process is very thorough and all of the vehicle's systems, fluids, brakes, tires, suspension, engine and drive train so there are no surprises. If you have any questions, please call us anytime at (715) 833-2020.
