We have for sale a very nice 2014 Subaru XV Crosstrek AWD crossover that looks great and is a blast to drive with the 5-Speed Manual Transmission and Subaru's All-Wheel Drive! The XV Crosstrek is a head-turning Crossover SUV that is built for adventure. It has Quartz Blue Pearl paint with tinted windows for a clean, private look and 17-Inch Black Wheels with Silver Accents that give this Crosstrek a great stance! If you are looking for an inexpensive, reliable and versatile crossover this Crosstrek is the perfect choice!

Symmetrical All-Wheel Drive is Subaru's incredible AWD system and makes this Crosstrek nearly unstoppable in any type of poor weather or harsh road conditions! The Symmetrical AWD is full-time AWD and sends power to all 4-wheels instead of just when the vehicle senses slippage!

30 MPG on the highway makes this crossover cheap to drive even if you have commute to class or work. The 2.0L 4-cylinder "Boxer" engine and a smooth shifting 5-Speed Manual Transmission this Crosstrek is a treat to drive!

Heated Front Seats that are especially nice this time of the year! If you've never had heated seats before, you are going to love them. They heat up fast and make a cold morning commute to work or class so much better!

Bluetooth Streaming Audio, Aux and USB Audio Inputs so there is no shortage of ways to bring your favorite music with you on the road! The sound system also offers AM/FM/CD Audio and has speakers throughout the cabin to provide excellent sound quality! It also has Bluetooth Hands Free calling, so you can send and receive phone calls without distraction.

Large Rear Cargo Space with more than enough room for your camping gear, tools or suitcases and if you need even more space the 60/40 Split-Folding Seats can be folded flat to open up the entire back portion of the SUV to haul oversized items and protect the interior from damage! It also has a Trailer Hitch to haul your utility trailer or to add a cargo carrier rack for even more cargo space!

As you can see from the pictures, this Subaru has a great look to it! It should be noted that the car has many hail dings throughout the hood, roof and above and below the side windows. These dings are difficult to show in photos and are really only noticeable when you get a few feet from the car and are looking for them. We typically do not sell any vehicle with this type of cosmetic damage but we know how popular these Subarus are and we know this Crosstrek will make a perfect vehicle for someone despite its cosmetic imperfections! To make sure that it runs and drives perfect, it has been fully inspected and certified to be sold. The inspection process is very thorough and all of the vehicle's systems, fluids, brakes, tires, suspension, engine and drivetrain are gone through so there are no surprises. If you have any questions or would like to discuss a possible trade, please call anytime at (715) 833-2020.
