Vehicle Description

Oliver Motors is EXCITED to offer:

2018 Dodge Ram 2500 SLT HD Crew Cab 4x4 with 19,986 miles!

The Ram HD proves there's no substitute for good, old-fashioned power and capability. Despite an aging architecture, this heavy-duty pickup has a trim for every trade and a powertrain for every preference. The Ram 2500 has the segment's only rear coil-spring suspension for an improved ride; a rear air suspension is optional.

This 2018 Dodge Ram 2500 is powered by the legendary 5.7L V8 Hemi with variable valve timing. (15cty/22hwy)

Expect excellent ergonomics and front cabin airiness from this 2018 Ram 2500. The capable Uconnect infotainment system is easy to use. The crew cab provides excellent backseat space, more than enough for full-grown adults to settle in for long trips.

This car has gone through an extensive inspection in which the oil has been changed and all filters have been checked and if need be replaced, and is 100% ready to go!
