33 MPG on the Highway with BMW's phenomenal xDRIVE All-Wheel Drive System makes this the perfect luxury sport sedan in any part of the country! It handles so well in any type of severe weather or in less than ideal road conditions

...and more.

Heated Steering Wheel and Heated Front Seats! If you have never had a car with heated seats before, or especially the heated steering wheel, you are in for a treat! They heat up fast and make a cold morning drive to work or class so much better!

Navigation System that is very easy to use and gives you easy to follow turn-by-turn directions which makes road trips and driving in an unfamiliar city so much less stressful!

Streaming Bluetooth Audio, a Built-In Music Hard Drive and Aux/USB Inputs are all included in the HiFi Audio system! The sound quality is crisp and clear with speakers throughout the interior to provide amazing surround sound audio.
