Bluetooth Streaming Audio, Satellite Radio and Aux/USB Audio Inputs are part of the wonderful HiFi Audio System! It also has AM/FM/CD Audio and a Built-In Music Hard Drive so there is no shortage of ways to bring your favorite music on the road with you!

Comfort Access Keyless Entry and Ignition so you can lock or unlock the car simply by touching the door handle and start and drive the car all without ever taking the key out of your pocket! Once you have the proximity key you'll never want to go without it because of the convenience!

Split-Folding Rear Seats are very convenient! This is one of those options that you never think about until you actually need it. Part of the rear seat or the entire rear seat can fold flat to fit your larger items in the trunk and backseat!

To make sure this 328xi is a safe and reliable vehicle for the future it has passed a full inspection and has been certified to be sold!
