AutoPark Dallas is excited to offer you this modified 2001 Jeep Cherokee Sport built by Davis AutoSports for sale! The beautiful classic style of a Jeep Cherokee the way it was meant to be; mean, aggressive, and a country road destroyer! This beast is in amazing condition for its age and redone interior to give the modern feel, while the exterior is done perfect with the small additions it has making it all come together as one insane looking Jeep. There is nothing on the market like this Cherokee and would be a shame to not give it a look while its parked in our indoor 16,000 Sq Ft Showroom located in Addison, Tx. amongst our inventory of 60+ vehicles!
