Description from the original female owner:

"Original/1 owner! Lovingly cared for, always garaged, never in an accident, all maintenance records, all original except hood decal replaced with paint to original fade colors (original decal cracked) and rear tail panel was painted due to a scrape in a parking lot..

This was one of six Corvettes I have owned in my life, started with a 1962 (never should have sold it, lol) and this 1982 was my all-time favorite, purchased new, so pretty, I've kept it for 36 years."

1 of 6,759 Collectors Editions produced. 350 engine and automatic transmission function well. All gauges and lights work. Power windows function properly. Power antenna is currently not working. Air conditioning needs to be recharged. 108k original miles. Always garage kept. Runs and drives great! All records since new. Original window sticker.
