Economy:	City 22 / Highway 32

Vehicle Description

This 2016 GMC Terrain SLT is a compact fuel-efficient crossover SUV that is nearly mid-size, and is an alternative to vehicles like the Honda CR-V or its close cousin the Chevrolet Equinox. It offers a great amount of cargo space as well as interior space, without being too large. 2016 is the first update the line has received since the 2010 GMC Terrain released, with a new refreshed exterior, more additional features and options like rear-view camera, and an improved cabin. On the interior, this Terrain has a detailed, premium upholstered leather finish that will maintain its shape and contour over time.

While this Terrain isn't suited to offroading, it IS more ideal for daily drivers and/or drivers with families. With the second row seat, it can be moved forward to create nearly 32 cubic feet of cargo space, or when folded entirely out of the way a spacious 64 cubic feet. The Terrain's precision chassis and suspension tuning provide outstanding maneuvering inside and around town.

Under the hood, this Terrain SLT has a 2.4-L 4-cylinder engine that provides plenty of power for daily drivers, paired to a 6-speed automatic transmission that shifts smoothly providing a gentle driving experience. The fuel economy of this crossover SUV is excellent, rated at 22 miles per gallon in the city and 32 miles per gallon on the highway.

This is also a CarFax certified 1-Owner vehicle, with no accidents or damage, and an extremely detailed history of oil changes, tire services, maintenance inspections and maintenance performed. It was used as a commercial vehicle in Arkansas for 2 years and 7 months.

Electronic & Entertainment Features: In-dash touchscreen with Navigation system, SiriusXM Radio functionality, premium Pioneer sound system, Bluetooth connectivity, USB input, Auxiliary cable input, a total of 4 12v power outlets, Wi-Fi network with paid subscription, voice recognition with phone/audio/navigation controls, and audio/phone controls on the steering wheel.

Comfort & Convenience Features: Fully leather interior including seats/armrest/console/steering wheel, heated front seats, cruise controls on the steering wheel, climate control for heat and air, dual lit vanity mirrors, and power windows/locks/mirrors/seats.

Safety Features: In-dash rear-view camera with guidelines for backing up, parking distance sensors, front and rear anti-lock disc braking system, electronic brake distribution, StabiliTrak system, electronic traction control, daytime running lights, and a tire pressure monitor.

Credit woes? We never say no! We offer many different payment options (no hassle pricing W.A.C.), and we work with any credit score or any type of financial history, including bankruptcy.

Come check out our established location in Jonesboro at 2829 Red Wolf Boulevard and look at our constantly changing inventory! Also, don't forget to ask about our financing options! We service and sell to the tri-state area of Northeast Arkansas, Southeast Missouri, and Southwest Tennessee.
