This vehicle has extremely low mileage on the odometer, so while it's pre-owned, it's practically new. More information about the 2015 FIAT 500: The FIAT 500 is a small 4-seater with cute looks and great fuel economy. It's relatively inexpensive, but does have some upscale pretentions, with some trims competing directly with rivals like the MINI Cooper S. Like much more expensive Italian cars, the FIAT 500 offers more customization potential than is typical for an inexpensive small car. With a FIAT Studio system at dealerships, buyers can customize with interior and exterior accessories, striping packages and more. FIAT 500 Abarth models also live up to the "small but wicked" approach that inspired the 1960s-era performance models before. The idea is to offer high performance in a small car, with a dash of Italian exotic personality and pedigree. Safety is also a strong point for the 500 it's been named an Insurance Institute for Highway Safety (IIHS) Top Safety Pick. Interesting features of this model are Abarth model's track-ready performance, flamboyant exterior, practical, stylish interior, good gas mileage, and Nimble, responsive driving feel
