Vehicle Description

AutoPark Dallas is excited to offer you this 2008 Porsche Cayenne GTS for sale! Introduced back in '03 as a huge marketing decision from Porsche that every critic said it wouldn't work in America, but it surprised many with what Porsche had to offer with the Cayenne. On the road and off, Porsche meant business and wanted everybody who drove the Cayenne to feel like they're driving luxury. This GTS version of the Cayenne gives you more vocal notes from the exhaust and a more sporty look from its lower Cayenne siblings. Come check out this amazing SUV/Crossover parked in our indoor 16,000 Sq Ft Showroom located in Addison, Tx. amongst our inventory of 60+ vehicles!
