- Transmission:** 6-Speed Automatic
- Mileage:** 44,248
- Drivetrain:** Front Wheel Drive
- Economy:** City 21 / Highway 31

We have for sale a very nice 2014 Chevrolet Impala LTZ that looks and drives fantastic. It has a beautiful black exterior with a black interior with accent stitching that gets tons of compliments, tinted windows for a clean, private look and 19-inch wheels (*wrapped in brand new tires*) that give the car an incredible stance! It has a lot to offer, especially for this price so we know that if you like how it looks in the pictures you will love it when you come drive it!

Heated Steering Wheel and Heated/Cooled Seats that are a treat to have if you've never had them before especially the heated steering wheel! These seats stay much cooler in the summer sun and are toasty warm during the

winter!

Rear-View Camera that is very easy to use and turns on automatically when you shift the car into reverse. The rear-view camera is great for parking in tight spaces or parallel parking on busy streets.

Blind-Zone Alert and Lane Departure Warning are great safety features! The blind zone alert ensures you don't change lanes when there is a vehicle in your blind spot and the Lane Departure Warning will alert you if your car drifts out of the lane. It also has Forward Collision Alert which can bring the car to a complete stop to avoid a head on collision if a car in front of you stops short or slams on their brakes!

Remote Start so you can start the Impala from inside your house or office. This lets you pre-heat the Impala in the winter and in the summer the A/C will be cranked so you never have to get into an uncomfortable car again, regardless of how cold or hot it is outside!

Keyless entry/keyless ignition with push button start so you can unlock the car just by touching the door handle! You'll never have to take the key out of your pocket again!

Split-Folding Rear Seats are very convenient and an option that you don't always think about until the need arises. You can fold part or the entire rear seat flat which gives you a ton of extra cargo room or room for larger items that simply won't fit in the trunk

11-Speaker Bose Audio System that sounds fantastic and has AM/FM/XM radio, Bluetooth audio, Pandora Connectivity, USB and an Aux Input for your phone or Mp3 player so you can bring all of your favorite music with you in the car.

This Impala is a wonderful vehicle inside and out. It has been completely inspected and all of the car's systems, fluids, brakes, tires, suspension, engine and drivetrain have been gone through so there are no surprises when you come to drive it. If you have any questions or would like to discuss a trade, please call anytime at (715) 833-2020.
