# WE FINANCE!

*The Ford Mustang is a legacy all in itself. With racing heritage dating back to the 60's, any car lucky enough to wear a pony badge is an instant piece of American heritage. In 2005 Ford released the rendition of the legendary Mustang and instantly set the pace for the market as we know it today! These GT's featured a 285 Horsepower (in stock form) 4.6L engine that instantly found itself on top of the horsepower races with the Camaro's, Mopar's, base Vettes, and other competitors. With the exhaust on this vehicle, the Cabin is very quiet and there is no "drone" pitch. We are HIGHLY impressed with the driveability of these Mustang's! They are one of the EASIEST and SMOOTHEST driving high horsepower vehicles ever made! Come see for your self! The GT isnt all about performance however. Along with performance and drivability comes comfort! The mustang interior showcases comfortable ??? seating with retro-styling dash and door panels, and A leather shift boot giving it that sleek, sporty, yet luxurious look. Seating is extremely comfortable. You could easily go cross country in this car! With all these ammenities, gobs of performance, and historical connections; It's simple! You can't go wrong with this car so don't miss out on this beatiful masterpiece!!!!*
